The Leadership Circle Welcomes Katherine Anderson as New Manager of Practitioner Care

January 15, 2013 Toledo, OH - The Leadership Circle is pleased to announce Katherine Anderson as the new Manager of Practitioner Care for both The Leadership Circle and Full Circle Group.

Anderson has been with Full Circle Group since mid-2010 as a Project Administrator. In addition to continuing as Project Administrator, she will now manage the Leadership Quarterly – The Leadership Circle’s online publication – and strategically find ways to reach and engage The Leadership Circle and Full Circle Group communities.

“I have had the blessing of bearing witness to the power of The Leadership Circle at a young age and excited for my future journey to extend The Leadership Circle’s reach and to spread the practice of conscious leadership globally,” said Anderson. “This is not a solo journey. Together we will leave a footprint – maybe even a path.”

Katherine received her Bachelors of Science in Business Management, with a focus on Organizational Leadership, from Miami University.
