

The Leadership Circle®

In this section, you will be evaluating (SURVEY FOCUS) . Your task is to describe the leadership behaviors that are most commonly practiced, encouraged, or allowed by leaders. There may be many factors that influence your overall experience of leadership within your organization or team. For example, two different managers have contrasting leadership styles, and both are having an influence on the collective leadership of this organization or team. Describe the behavior that is having the most influence on your experience.

You will be able to review and modify your answers at the end of this section.

Please rate how strongly you agree or disagree with each statement on the survey. Answer each statement on a scale of 1-15 where 1 means you "Very Strongly Disagree" with that statement and 15 means you "Very Strongly Agree" with that statement. This is a very wide scale and allows you to describe wide ranges of behavior. Only use the extreme ends of the scale ("Very Strongly") to describe extremely positive or negative behavior.
